		Three Months - \$76	\$304	\$912	\$1,520
Ring	Nuva Ring	One Month - \$29	\$348	\$1,044	\$1,740
		Three Months - \$50	\$200	\$600	\$1,000
Shot	Depo-Provera	1 Dose - \$45	(4x/year) \$180	\$540	\$900
Copper IUD	Liberte	One Time Cost - \$80 (effective for 5-10 years)			
Hormonal IUD (IUS)	Kyleena	One Time Cost - \$410 (effective for 5 years)			
	Mirena	One Time Cost - \$415 (effective for 5 years)			

These costs may vary by pharmacy. The prices listed include a \$10 pharmacist dispensing fee. For Ontario OHIP members under 25 years old not covered by a private insurance plan, OHIP+ will cover the cost of all of these medications. The Copper IUD is exempt because it is listed as a device not a medication.
